

# HARMONY DAY

## Schools competition

March 21 2022

### Why is Harmony Day important for schools?

Harmony Day began in 1999 to promote social cohesion and racial harmony in Australia. The day aims to foster inclusiveness, respect and the idea that people of all different cultures can make a valuable contribution to society. School students across Australia unite by wearing all shades of orange, and are encouraged to show their understanding of and commitment to inclusiveness, celebrating diversity, respect and belonging.
