Planning an *enchanted* evening?

For the ultimate in privacy, consider the **Exclusive Use** of Madame Tussauds, giving you and your guests access to all the themed environments that New York's most famous attraction has to offer. With *Exclusive Use* of the attraction, Madame Tussauds is closed to the public. Your guests are treated to a red carpet arrival and taken up the grand staircase before being whisked by glass elevator to *Opening Night Party*, where they are greeted by notable celebrities* such as Jennifer Lopez, Julia Roberts, Hugh Grant, and Harrison Ford at an after-hours cocktail party held in an Italian Palazzo-like setting complete with Tuscan tiles, columns, and a cascading waterfall. *Opening Night Party* is the perfect spot to start your evening with welcome cocktails and hors d'oeuvres.

After cocktails in *Opening Night Party*, your guests move on to dinner in *The Gallery* with its rotunda-style setting and marble floors. Your guests will have the opportunity to circulate among a fascinating array of American and international leaders from the worlds of politics, history, and the arts.

As you leave *The Gallery*, your guests proceed through the VIP Room to the world of *Pop Culture*. This is the perfect setting for a Viennese dessert reception for the finale to an amazing event. Guests will find endless entertainment amongst movies, TV, music, history, and sports from the 1920s to today.
