

## Design Your Own Dragon Puppets!

Have fun this Lunar New Year by creating your very own dragon puppets!

1. Cut out the 5 dragon templates provided and then colour them in, design patterns to make them stand out!
2. Use either glue or tape, attach the dragon template to the popsicle stick.
3. Glue the googly eyes to the dragon's head.
4. Let it Dry
5. Allow the glue to dry completely before playing with the dragon puppets.

### Create a Story

Encourage the kids to use their dragon puppets to create imaginative Lunar New Year Dance or puppet shows.

Once the dragon puppets are complete, kids can share their creations with friends or family. They can also display them proudly in their rooms.
